OVER 200 PROJECTS

Over the past few years, Middle East has contributed to the success of over 200 impactful projects in the region.

The purpose of this brochure is to give a snapshot of the diversity of projects that we have worked on in different segments: Residential, Commercial, Hospitality, and Healthcare.

"We solve problems, bring solutions, and create value.

Together, We Make Life Flow!"

Aliaxis Middle East regional office in Dubai, UAE, was set up in 2012 followed by an office in Riyadh, KSA, in 2014, to provide strategic support to our leading brands that have been tried and trusted in the Middle East market for over 40 years.

Our Philosophy

Aliaxis Middle East places huge importance on providing comprehensive **local support**, and this is achieved through **responsive support teams**. This means we work closely with you to offer products and solutions that continually exceed expectations ensuring projects run smoothly and reliably. Whether you are an architect, MEP consultant, contractor, interior designer, or installer, you can count on Aliaxis Gulf to provide carefully tailored solutions that are reliable, safe, and sustainable.

Our Office in the Region

The Aliaxis Middle East team is split between **Dubai, Jeddah, and Riyadh** and comprises a variety of nationalities, diverse cultures, and unique strengths, which collectively enable us to offer the world-class service we have today.
